**To whom it may concern**

I am writing to recommend the services of Cerra Metalworks we have traded for over the past 15 years, being a major masonry contractor in Melbourne for many major infrastructure Tier 1 construction companies such as Lend Lease, John Holland, Built Pty Ltd, and Icon Co.

Max Cerra and his design team have helped with many of the construction obstacles over the years and we are in continual communication to better our quality and productivity. His experience in the industry has helped us deliver **projects of the utmost quality having a long-standing track record for major project work.**

I am happy to recommend the services, product and industry knowledge of Cerra metalworks Pty Ltd.

If you have any questions, please feel free to contact me.

Kind Regards,
