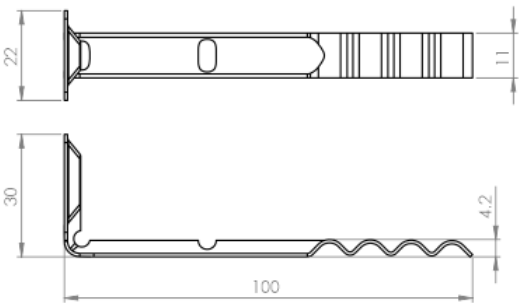
Fast fix veneer tie for timber or steel stud construction Type A / 50mm cavity, Save installation time with the pre-installed multi-purpose screw for timer and metal framing. Supplied with the extra long driver bit to make installation easy as well as fas

Corrosion class	R2
Material	Galvanised Z600
Tested	See test results

Features

- Clay brick
- Maximum cavity 50mm
- Fast installation due to the pre installed Cerra multi purpose screw
- Easy installation due to the included long reach driver
- C4 Rated multi purpose screw
- Universal applications
- Australian design & tested AS/NZS 2699.1:2020

Technical details



Dimension drawing. Sizes are given as A.

Fixing requirements

Pre installed Cerra multi purpose screw for metal and timber framing

Corrosion characteristics

R2	Galvanised Z600

CERRA MULTI PURPOSE SCREW

Hex head 10g X 35mm (Metal / Timber)
