NailMate – Face Fix Veneer Tie

Product datasheet

View product online

Our new Face fix veneer tie with pre-installed nail for timber construction Type A / 50mm cavity combines convenience and performance in one ready-to-use item. With the fixing nail already attached, installation is faster and more reliable — no need to hunt for separate fasteners or risk mismatched screws or nails.

Corrosion class	R2
Material	Galvanised Z600
Tested	See test results

Features

- Clay brick
- Maximum cavity 50mm
- Pre-Installed nail for faster and more convenient install
- Universal applications
- Australian design & tested as/nzs 2699.1:2020
